Motivations That keeps me Everyday

- Kindness
- Peace
- Harmony
- Integrity
- Gratitude
- Empathy
- Respect

• It is better to be silent, or to say things of more value than silence. Sooner throw a pearl at hazard than an idle or useless word; and do not say a little in many words, but a great deal in a few.

• “If you want to build a ship, don’t drum up people to collect wood and don’t assign them tasks and work, but rather teach them to long for the endless immensity of the sea.”
